Pre-Operative Instructions For General Anesthesia

1. The night before surgery eat a light, easily digestible meal, consume no alcoholic beverage and retire early.
2. Do NOT smoke for 24-48 hours prior to surgery.
3. A responsible person with a vehicle needs to accompany you to the clinic and remain in the clinic during the operation. A responsible person needs to stay with you for six hours after you return home from the operation.
4. Patients under 18 years of age must be accompanied by a parent or guardian.
5. Wear comfortable, loose fitting short-sleeved clothing, no jewelry.
6. YOU SHOULD NOT HAVE ANYTHING TO EAT OR DRINK (NOT EVEN WATER) FOR A MINIMUM OF 6 HOURS BEFORE SURGERY.
7. If your dentist or physician has prescribed any medications for you, you may take them as prescribed with a small amount of water.
